

ठराव क्रमांक: १/११००/२८.९.२०११

## अहवाल सम्मती

विश्वस्त मंडळाने मंगळवार दि. ३० ऑगस्ट २०११ रोजी दुपारी ३.०० वाजता झालेल्या नागपूर सुधार प्रन्यास विश्वस्त मंडळाच्या १०९९ व्या सर्वसाधारण सभेचा अहवाल, खालील दुरुस्तीसह सम्मत केला.

“ पृष्ठ क्रमांक ६ वरील ठराव क्रमांक ६/१०९९/३०.८.२०११ अन्वये, नागपूर महानगर क्षेत्रांतर्गत नियोजन व विकासाचे सुधारित धोरणाबाबत पुनर्विचार केला आणि यासह संलग्न सुधारित धोरणास, खालील सूचनांसह मंजूरी प्रदान केली.

१. सुरक्षा ठेवीच्या (Security Deposit) रक्कमेपोटी रोख रक्कमेचा भरणा करण्याऐवजी अर्जदारास तेवढ्या रक्कमेची किमान ३ वर्षाकरिताची बँक गॅरंटी सादर करणे अनुज्ञेय राहिल.
२. सार्वजनिक उपयोगाच्या (Amenity Spaces) जागांचा विकास व उपयोग हा विकास नियंत्रण नियमावलीच्या तरतुदीनुसार ५ वर्षांचे कालावधीत करावा लागेल. अन्यथा या जागा नागपूर सुधार प्रन्यासला रू.१/- च्या नाममात्र रक्कमेवर हस्तांतरीत कराव्या लागतील.
३. उपरोक्त सुधारित धोरण अंमलात येण्यापूर्वी नागपूर सुधार प्रन्याससह विकासाचा करारनामा करण्यात आलेल्या सर्व अभिन्यासाच्या प्रकरणांना देखील वरील धोरणाच्या तरतुदी लागू राहतील. त्यानुसार सुरक्षा ठेवीची रक्कम १० टक्के ऐवजी ५ टक्के घेऊन, उर्वरित रक्कम परत करण्यात यावी.

४. अभिन्यास तपासणी शुल्क रू.३७५०/- प्रति एकर वरून रू. १०००/- प्रति एकर करण्यात आले आहे. तथापि, स्वीकारण्यात आलेली तपासणी शुल्काची रक्कम 'ना परतावा' असून ती परत/समायोजित करण्यात येणार नाही.
५. मेट्रो रिजन अंतर्गत अंतिम एन.ए./टी.पी. मंजूर तथापि, विकास कामे न करण्यात आलेल्या अभिन्यासातील भूखंडधारकांना विकास शुल्क भरण्याबाबत वर्तमानपत्रातून जाहीर सूचना देण्यात यावी.
६. अभिन्यासधारक/ भूखंडधारकांनी विकास शुल्क न भरल्यास, अकृषक आदेशातील तरतुदीन्वये, अकृषक आदेश (एन.ए) रद्द करण्याबाबत नोटीस देण्याकरिता जिल्हाधिकारी/ उपविभागीय अधिकारी/ तहसिलदार यांना कळविण्यात यावे.

# NAGPUR IMPROVEMENT TRUST

Station Road, Sadar, Nagpur-440 001

## REVISED POLICY FOR DEVELOPMENT OF LAYOUTS IN THE NAGPUR METROPOLITAN AREA

After considering various aspects, following revised policy for development of layouts in Nagpur Metropolitan Area is prepared for perusal & consideration.

### I) Layouts sanctioned after appointment of NIT as Special Planning Authority i.e. 31/8/2010:

- a) The layouts which are sanctioned by the NIT as a Special Planning Authority, it shall be mandatory for every developer to enter into the development agreement with NIT.
- b) The development in the layout shall be carried out as per the standard drawings and specifications prescribed by NIT as below :

Sr. No.	Location of layout	Description of development works
1	For New layouts sanctioned by NIT in N/S/E/W Sectors of sanctioned Regional Plan & upto Outer Ring Road after 31.08.2010.	C.C. roads/C.C. Paver Blocks, C.I./D.I. water pipe line, RCC storm drain, R.C.C. sewer line, common septic tank, compound wall to open space.
2	In Growth Centres, for layouts sanctioned by NIT after 31.08.2010 and for layouts sanctioned by Competent Authority between 01.07.2008 to 31.08.2010 in N-S-E-W sectors and upto outer Ring Road also.	Asphalted roads (BM + SDBC), C.I./D.I. water pipe line, RCC storm drain, R.C.C. sewer line, common septic tank, compound wall to open space.
3	Rural Areas outside sanctioned N/S/E/W Sectors, out side Growth Centres of R.P. & out side outer Ring Road.	Asphalted roads (SDBC only), C.I./D.I. water pipe line, RCC storm drain, R.C.C. sewer line, common septic tank, chain link fencing to open space.

- c) There shall be option for the developer to carryout development on its own under the periodic supervision of NIT **OR** on the request of the developer NIT may carryout the development in the layout as a Deposit Work. After receipt of estimated development cost from the developer, NIT shall float the tenders and carryout the development work.
- d) If the amount of development is deposited with NIT, the NIT shall release the proportionate number of plots for sanction of building plans.
- e) If the development is carried out by the developer on its own the plots shall be released in proportion to the development works actually carried out on the site as stipulated in the development agreement. In case of private development of the layout to be carried out by the developer on its own, the developer shall have liberty to furnish the Bank Guarantee for a period of **3 years** towards the estimated cost of the development works plus 5% for cost variation as decided by NIT. On submission of Bank Guarantee; NIT shall release the plots proportionate to the tune of 90% of the plottable plots area regardless of the actual development on site. Remaining 10% plots subject to minimum 01 no. of plot shall be released after completion of all the development works in the layout including completion of development of amenity space.
- f) If the developer fails to carry out the development within the stipulated period of the Bank Guarantee, the NIT shall encash the Bank Guarantee and carryout the development works at the risk & cost of the developer proportionate to the amount of Bank Guarantee and after adjusting for any dues outstanding against the developer.
- g) It shall be permissible for the developer to furnish Bank Guarantee for different stages of development and plots shall be released in proportion to the amount of Bank Guarantee [subject to limitation as put forth in clause-(e)]. After release of plots, building plans on the released plots shall be sanctioned.

- h) As an incentive to the developer, for the observance of the standards and specifications of development, initially 10% plots subject to minimum 1 no. plot shall be released after the execution of agreement and handing over of open space to NIT. This shall also be applicable in respect to the layouts wherein development agreements are already executed.

## **II For layouts sanctioned after 1/7/2008 and prior to 31/08/2010.**

- a) It shall be mandatory for every developer to enter into development agreement with NIT, wherein a specific condition regarding development has been stipulated by the Collector Nagpur while granting N.A. permissions, where by 20% plots were retained by the Collector for observance of the conditions of development works in the layout.
- b) However, in case of layout wherein some of the plots are already sold out; individual building plans shall be sanctioned after recovery of proportionate development cost from the plot holders irrespective of the development agreement. However, the development shall only be carried by the NIT on recovery of 50% of total development cost of layout or sufficient amount to undertake particular development work this condition be incorporated in the Building Permit at the time of sanction of Building Plan and an undertaking shall be taken from individual for the same. The NIT shall take up the work limited to 90% amount of deposit. 10% amount shall be charged by NIT towards administrative and supervision charges. The development charges shall be as given in III below.

## **III Layout sanctioned by the Hon. Collector, Nagpur prior to 1/7/2008**

For the layouts sanctioned prior to 1-7-2008 and where the developers have already sold out the plots and wherein the standard specifications of development works were not mentioned in N.A. order, the development charges shall be recovered on the pro rata basis from the individual plot holders for minimum basic amenities like C.I. /D.I. pipe line, B.T. roads, Sewer line, storm drains, Common Septic Tank interceptor sewers etc. This shall be regardless of the existing development works on site not confirming

to NIT specifications. In this category, there shall be no development agreement by the individuals with NIT. The development charges shall be recovered at the time of sanction of building plans. The NIT shall carryout development works only after recovery of 50% of the development cost for stage wise development of the layout and this condition be incorporated in the Building Permit at the time of sanction of Building Plan and an undertaking shall be taken from individual for the same. The NIT shall take up the work limited to 90% amount of deposit. 10% amount shall be charged by NIT towards administrative and supervision charges. The development charges shall be as below:

<b>Sr. No.</b>	<b>Location of layout</b>	<b>Rate of dev. Charges (Per Sqft)</b>	<b>Description of development works</b>
1	<i>In</i> N/S/E/W Sectors of sanctioned Regional Plan, Growth Centres of R.P. and upto Outer Ring Road.	Rs. 55/-	Asphalted roads (BM + SDBC), C.I. /D.I. water pipe line, RCC storm drain, R.C.C. sewer line, common septic tank, & compound wall to open space.
2	Rural Areas outside sanctioned N/S/E/W Sectors, out side Growth Centres of R.P. & out side outer Ring Road.	Rs. 40/-	Asphalted roads (SDBC only), C.I./D.I. water pipe line, RCC storm drain, RCC sewer line, common septic tank, & chain link fencing to open space.

- Note :*
- 1) *Every year, the above rates shall be increased by 10% OR as per D.S.R., whichever is higher, every year. The first increase shall be on 1/8/2012.*
  - 2) *The NIT shall not be responsible for maintenance of development works of the layout.*
  - 3) *The developer shall be responsible for handing over of development works of the layout to the Grampanchayat/ Municipal Council / NMC.*

- 4) *In the absence of developer/land owner it shall be the responsibility of the plot holder in the layout to form the society and handover the layout to the Grampanchayat for maintenance.*
- 5) *Till the layout is taken over by Grampanchayat for maintenance it shall be the responsibility of developer /plot owner to maintain the layout at their own cost.*

#### **IV Policy Regarding Cement Concrete Roads/ C.C. Paving Blocks.**

It shall be mandatory to provide C.C. roads/ C.C. paving blocks for all the layouts sanctioned by NIT after 31/8/2010 in N/S/E/W Sectors of sanctioned R.P. and upto outer Ring Road only. The Cement Concrete/C.C. paving block road shall conform to the standards and specifications as stipulated by the NIT in the Development Agreement. The cement concrete roads/cement concrete paving block roads are applicable to only about 10% of the total villages of the Nagpur Metropolitan Area in which lot of urban activities have taken place.

#### **V Policy Regarding Asphalt Roads**

The asphalt roads shall be mandatory for all the layout sanctioned prior to 31/08/2010. For new layouts sanctioned by the NIT after 31/8/2010 and which are situated beyond the outer Ring Road and out side the N/S/E/W Sectors of R.P. roads in the layout need not be of Cement Concrete and asphalt road shall be permissible. This area covers about 90% of the total villages of the Nagpur Metropolitan Area.

#### **VI Provision of Common Septic Tank for the layout:**

1. It is observed that in many layouts, the sewer lines have not been provided by the developer. The plot holders have constructed septic tank in their individual capacity in their plots. This shall become extremely unhygienic over a period of time and shall pollute the underground water table.
2. The plot holders are dependent on the well water for drinking and other domestic purposes. The developers have not provided any common water

pipe lines in the layout as is being done in the city area, the individuals have constructed open wells/ bore wells in their respective plots.

3. To prevent contamination of underground water table, it is essential to lay sewer lines and construct common septic tank in each layout.

## **VII Policy regarding Sewage Treatment Plants (S.T.P.)**

1. The NIT has adopted a policy of providing STP for each layout. However it is observed that the S.T.P. for individual small layout is not practicable & financially viable.
2. Therefore it is proposed to provide common STP for a group of layouts/ cluster of layout which may be geographically suitably located. It is proposed that the individual layout shall contribute for the construction of common STP for group of layouts.
3. NIT shall recover these charges as peripheral development charges and construct the STP for the group of layouts. If suitable land is not available for STP, then NIT shall acquire the land and construct the STP and subsequently hand it over to the local Gram Panchayat for its day today operation & maintenance. The Grampanchayat shall recover the property tax / water tax etc. from the plot holders and carry out operation & maintenance of the STP. The charges towards common STP fund shall be recovered by NIT as below;
  - For layouts @ Rs. 2.00 lac per Ha.
  - For individual @ Rs. 3/- per sqft. of plot area.
4. However for special townships & layout exceeding 100 acres in area; it shall be the sole responsibility of the developer/land owner to provide & maintain STP at its own cost.

**Note :** *If the collected common STP fund is not sufficient then balance cost of common STP will have to be funded from Govt. or other sources.*

### **VIII. Policy Regarding C.I./D.I. pipe line water pipe line**

It shall be mandatory for all the layouts to have C.I./D.I. pipe line for water supply arrangement. It has been the experience of the NIT and NMC that, the PVC water pipelines are often tampered by the plot holders /public leading to huge leakages and contamination owing to damaged PVC lines and waterborne diseases.

### **IX Regarding Security Deposit (S.D.) charges for development agreement.**

As per NIT's prevailing policy 10% of estimated development cost @ Rs. 50.0 lacs/ Ha is recovered as S.D. however owing to financial constraints most of the developers/Builders have strongly opposed it. Therefore it is proposed to recover 5% S.D. instead of 10%. and assuming development cost as below ;

#### **Development Charges for Layouts**

<b>Sr. No.</b>	<b>Location of layout</b>	<b>Rate of dev. Charges</b>	<b>Security deposit to be charged</b>
1	For New layouts sanctioned by NIT in N/S/E/W Sectors of sanctioned Regional Plan & upto Outer Ring Road i.e. after 31-8-2010	Rs. 50.00 lacs per Ha. Approx. Rs. 75/- per sqft	5%
2	In Growth Centres, for layouts sanctioned by NIT after 31.08.2010 and for layouts sanctioned by Competent Authority between 01.07.2008 to 31.08.2010 in N-S-E-W sectors and upto outer Ring Road also.	Rs. 38.00 lacs per Ha. Approx. Rs. 55/- per sqft	5%
3	Rural Areas outside sanctioned N/S/E/W Sectors, out side Growth Centres of R.P. &	Rs. 30.00 lacs per Ha.	5%

	out side outer Ring Road.	Approx. Rs. 40/- per sqft	
--	---------------------------	---------------------------	--

**Note :1. The above rates are indicative and for the purpose of development agreement only where development works are to be carried out by the Developer at its own cost as per NIT's specifications. Actual estimates for the development works shall be prepared by the NIT where development works are to be carried out by the NIT as deposit work.**

**2. Electrification of the layout will have to be carried out by the layout owners or Individual applicants directly through the MSEDCL.**

#### **X Regarding Supervision charges**

1. For private development by the developer the NIT shall recover 5% supervision charges of the estimated development cost as stipulated in IX above.
2. It shall be 10% of the estimated development cost if the development work is carried out by NIT as deposit work instead of 15% as per NIT's prevailing policy.

#### **XI. Bank Guarantee in lieu of development cost**

As per NIT's prevailing policy the Bank Guarantee of total amount of development cost is accepted and plots are released accordingly for construction purpose. However, it is proposed to accept Bank Guarantee proportionate to the stage wise development of the layout and proportionate plots shall be released, where developer is carrying out the development. However the developer shall be solely responsible for the execution of development works at his own cost. If the developer fails to carry out the development works, NIT shall encash the Bank Guarantee and carry out the development works in the layout proportionate to the amount of Bank Guarantee..

## **XII. Regarding Scrutiny fees of the Layouts**

It is proposed to charge scrutiny fees Rs. 1000/- per acre for Nagpur Metropolitan Area instead of Rs. 3750/- charged earlier.

## **XIII. Regarding Policy for development in respect of Educational, Petrol Pumps, Farmhouses, Transfer Godowns & Similar nature Restaurants, Industrial, Hotel Motel & Amusement parks. (Users permissible in No Development Zone (NDZ)/ Agriculture Zone as per provisions of Regional Plan (R..P.)**

No development agreement & release of plots in respect of above & similar category layouts and necessary development condition shall be stipulated at the time of sanction of layout. For ensuring observance of terms & conditions of development, 5% supervision charges and security deposit of 5% of development cost, subject to minimum of Rs. 25,000/- shall be recovered at the time of sanction of layouts/building plans. The development cost shall be about 50% of the total development cost as stipulated in table of sr. no. IX and 50 % STP fund shall charges.

## **XIV. Policy regarding Open Spaces (O.S.)**

1. The developer shall have to handover the Open Space in all residential layouts to NIT for a nominal consideration of Re. 1/- as per provision of DCR. However on the request of the developer / plot owner NIT may permit the development of the Open Space as per provisions of DCR and subject to terms and condition as it may deem fit.
2. For the Group Housing schemes the Open Space shall not be taken over and shall be left for the exclusive use of the members of the Group Housing Schemes as per the provisions of DCR.
3. The play ground/ Open Space of the Educational Institutional shall not be taken over & Institutions shall use it exclusively for play ground purpose.
3. Similarly same policy as per 3 above shall be adopted for the Open Space of Petrol pumps, Amusement Parks, Hotel/Motels, Industrial and layouts of

similar nature on the condition that the use of the O.S. shall be strictly as per provisions of DCR.

*Note: Respective Sub-Registrars / Joint Registrars shall be intimated about the Open spaces in the layouts so that layout owners will not be able to sale such open spaces.*

**XV. Regarding provision of open spaces and amenity spaces of ULC layouts sanctioned by Hon. Collector/Competent Authority prior to 31/08/2010.**

As per the provisions of DCR if the total area of the layout is more than 0.4 Ha. then 10% of area has to be provided as open space and 15% area to be provided as amenity space in the layout upto 10 km. area of Nagpur Metropolitan Area from NMC limit and within Butibori Growth Center. (As per notification dated 15/7/2010)

However it is observed that in some layouts sanctioned by the competent authority prior to 31/8/2010, the layout comprised of retainable and surplus land having total area more then 0.4 Ha., while sanctioning the layout open and amenity spaces have been provided in respect of surplus land only and not for retainable share regardless of total area of layout.

It is proposed that in the layout where in appropriate open & amenity spaces has not been provided it shall be mandatory to comply with the provision of DCR and 10% open space & 15% amenity space shall be provided on the retainable/surplus land as the case may be wherein the above provisions has not been complied.

It is further clarified that if the layout is sanctioned by the competent authority by providing 10% open & 10% amenity spaces for part area of the layout, the same shall be held valid and the open & amenity spaces shall have to be provided only in respect of the remaining area of the layout.

## **XVI. Amenity Spaces**

If the Layout Owner fails to develop and use the amenity spaces of the layouts, within 5 years, for the prescribed purpose, otherwise such amenity spaces will be required to be handed over to the NIT for a nominal consideration of Re.1/- only.

**Villages covered under sanctioned Sectors of R.P.  
& Within Outer Ring Road from N.M.C. Boundry.**
